

APPALACHIAN FOREST

NATIONAL HERITAGE AREA

Project: Coffee Filter Butterfly

Materials:

2 round coffee filters flattened
Sharpie Markers
Alcohol
Eye Dropper
Black Chenille Stem
Shallow pan like a cookie sheet

Directions:

- 1) Place your coffee filters on top of each other in the shallow pan.
- 2) Color any design using sharpie (you do not need to fill all the space)
- 3) Drip alcohol on so the colors run
- 4) Separate filters and let them dry
- 5) Fold in both approximately $\frac{1}{4}$ inch accordion style and stack
- 6) Twist the Black Stem around the middle to form the body
- 7) Open the wings and twirl the ends of the stems for antennae
